In-House Vs. Out-Sourced Training

Providing CPR and First Aid training to your employees can be costly.

Staying within regulatory guidelines is important to you and so is saving money.

With EMS Safety's cost-effective, compliant and professional programs, you can

Out-Sourced Training
Based on \$45 for an 8-hour provider CPR and First Aid class

In-House Training
Based on \$5.25 for each 8-hour CPR/First Aid combo student workbook
